EAI **Estimated Annual Income (EAI) & Estimated Yield (EY)**- EAI is an estimate of annual income for a specific security position over the next rolling 12 months. EAI may be negative on short & EY positions. EY is calculated by dividing the current EAI for a security position by its statement closing date market value. EAI and EY are estimates only and may include return of principal and/or capital gains, which would render them overstated. Actual income and yield might be lower or higher than the estimated amounts. **For calculation details, refer to the "Additional Information and Endnotes" section.**

Total Cost Basis does not include the cost basis on core, money market or other positions where cost basis is unknown or not applicable.

- **Electronic Funds Transfer Notice:** The following notice is required by the Bureau of Consumer Financial Protection's Regulation E and applies to electronic funds transfers (EFTs) made by consumers. However, it doesn't apply to all EFTs. Generally, EFTs in nonretirement accounts, aside from those made for the purchase or sale of securities, are subject to Regulation E (each a "Covered Transfer").

**Error Resolution:** In the case of errors or questions about a Covered Transfer, promptly call or write Fidelity using the contact information listed below. You must call or write Fidelity if you think that your statement is wrong or if you need more information about a Covered Transfer on the statement. Fidelity must hear from you no later than 60 days after Fidelity sent the FIRST statement on which the problem or error appeared. You will need to tell Fidelity your name and account number, describe the error or Covered Transfer that you are unsure about, explain as clearly as you can why you believe that it is an error or why you need more information, and tell Fidelity the dollar amount of the suspected error.

If you notify Fidelity orally, Fidelity may require that you send your complaint or question in writing within 10 business days. Fidelity will tell you the results of its investigation within 10 business days of hearing from you and will correct any error promptly. If Fidelity needs more time, however, it may take up to 45 days to investigate your complaint or question. If Fidelity decides to do this, it will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes Fidelity to complete its investigation. If Fidelity asks you to put your request or question in writing and doesn't receive it within 10 business days, or if your account is a brokerage account subject to Regulation T of the Board of Governors of the Federal Reserve System (Credit by Brokers and Dealers, 12 CFR 220), Fidelity may not credit your account.

For questions involving new accounts, or point-of-sale or foreign-initiated transactions, Fidelity may take up to 90 days to investigate your complaint or question. For new accounts, Fidelity may take up to 20 days to credit your account for the amount you think is in error. Fidelity will inform you of the results of its investigation within three business days of its completion. If Fidelity decides that there was no error, Fidelity will send you a written explanation. You may ask for copies of the documents that Fidelity used in the investigation.

**Contact Information:** You can contact Fidelity by mail at Fidelity Investments, PO Box 770001, Cincinnati, OH, 45277-0002, or by phone at 800-544-6666. 707063.2.0

**Estimated Annual Income (EAI) & Estimated Yield (EY)** - EAI for fixed income is calculated using the coupon rate. For all other securities, EAI is calculated using an indicated annual dividend (IAD). The IAD is an estimate of a security's dividend payments for the next 12 months calculated based on prior and/or declared dividends for that security. EY reflects only the income generated by an investment and not changes in its price which may fluctuate. Interest and dividend rates are subject to change at any time and may be affected by current and future economic, political and business conditions. EAI and EY are provided for informational purposes only and should not be used or relied on for making investment, trading or tax decisions. EAI and EY are based on data obtained from information providers believed to be reliable, but no assurance can be made as to accuracy, timeliness or completeness. **Please refer to the Help/Glossary on Fidelity.com for additional information regarding these calculations.**
